

Important Dates

Opening of submission	: 20 th Nov 2022
Deadline of submission	: 31 st Jan 2023
Notification of acceptance	: 25 th Feb 2023
Camera ready paper	: 30 th Mar 2023
Date of registration	: 30 th Mar 2023

Paper Submission

Information on preparation and submission of the full paper is available on the conference website.

Registration Fee

Industrial Delegates	
Academicians/Research	
Scholars/ Studnts	: Rs. 2500/-
Participation	: Rs. 500/-
Foreign Delegates	: \$ 75/-

Mode of payment: Online

Bank name	: SBI, Westhill Branch
A/c Name	: International Conference- Yukthi
A/c Number	: 41410980486
IFSC Code	: SBIN0070857

International Conference on Process Engineering and Sustainable Techology STEP-2023

10-12 April 2023

Organized by

Department of Chemical Engineering
Government Engineering College
Kozhikode, Kerala, India

www.geckkd.ac.in

Under the Aegis of

International Conference on
Emerging Trends in Engineering
YUKTHI 2023

Sponsored by: TEQIP - II

Patron

Dr. Byjubai T. P.,
Director of Technical Education,
Government of Kerala.

Chairman

Dr. Sajith P. P., Principal,
Government Engineering College, Kozhikode.

General Convener

Prof. Sindhu N., Assistant Professor,
Dept. of Chemical Engineering.

Organizing Secretary

Dr. Sudheesh R. S., Associate Professor,
Dept. of Mechanical Engineering.

Convener

Prof. Shyja M., Assistant Professor,
Dept. of Chemical Engineering.

Co-ordinator

Prof. Dhaneesh K. P., Assistant Professor,
Dept. of Chemical Engineering.

Advisory Committee

Dr. Erwin Fuhrer, Karlsruhe Institute of Technology,
Germany

Dr. Muhammad Saleem, Jubail Industrial College, Royal
Commission for Jubail and Yanbu, Saudi Arabia

Dr. Nishanth G. Chemmangattuvalappil, University of
Nottingham Malaysia

Dr. Sandeep Mouvanal, University of Nottingham, UK

Dr. Suchithra Thangalazhy Gopakumar, University of
Nottingham Malaysia

Dr. Vijay John, RIKEN, Japan

Dr. Xavier Serra, University of Pompeu Fabra, Spain

Dr. Athira P, IIT Palakkad

Dr. C. Chandrasekhar, IIT Madras

Dr. John Joseph, IIT Guwahati

Dr. L. S. Ganesh, IIT Madras(Retd.)

Dr. Navin Gopinathan, IIT Ropar

Dr. N Sivaprasad, IIT Madras(Retd.) GITAM University

Dr. Sarit Kumar Das, IIT Madras

Dr. T Thyagaraj, IIT Madras

Dr. Elizabeth Elias, NIT Calicut(Retd.), Sahrdaya College of
Engineering & Technology, Thrissur

Dr. George K Varghese, NITCalicut

Dr. M.V.L.R. Anjaneyulu, NIT Calicut

Dr. Vaishakh Nair, NIT Surathkal

Dr. V Sivasubramanian, NIT Calicut

About the Institution

The Govt. Engineering College Kozhikode (GECK) is one among the prestigious engineering institutions under the Department of Technical Education, Govt. of Kerala. The college is an ISO 9001:2015 certified institution, established by Govt. of Kerala during the academic year 1999-2000. The college offers 6 B.Tech programmes and 4 M.Tech programmes. The college has excellent facilities for academic and research activities. Major programmes offered by the institute is accredited by National Board of Accreditation (NBA). The College is located at West Hill, nearly 5 km away from the Kozhikode city. Institute is well connected by air, rail and road routes to the rest of the country.

Vision

A hub of technological brilliance having international acceptance which fosters professionals and innovators with social responsibility.

Mission

Create an ambience for academic brilliance to address the technological challenges.
Encourage scientific and innovative research towards the progress of the nation.
Promote social responsibility and professional ethics through value education.

Scope of the Conference

This conference aims to achieve a confluence of developments from all areas of Engineering by bringing together leading academicians, Scientists, Research Scholars and Students to a common platform enabling exchange of ideas, experiences and research results. Apart from paper presentation sessions, the conference will include invited talks by eminent Scientists and Professors on advanced trends in various fields of Chemical Engineering.

Conference Theme

Authors are invited to submit papers resulting from their original research works in topics related to, but not limited to the following

- Green Technologies
- Biotechnology
- Process Design and Safety
- Innovative Materials
- Process Control and Automation
- Process Intensification
- Nanotechnology
- Food and Pharmaceuticals
- Catalysis
- Polymer Technology
- Computational Fluid Dynamics

About the Department

The Department of Chemical Engineering, Government Engineering College Kozhikode is one among the two Government Institutions offering B.Tech in Chemical Engineering in Kerala. The department is striving constantly for improving and being at par with the institutional counter parts all over the country. Several academic and co-curricular activities are organized every year to bring up the department as a centre of excellence. The department also offers M.Tech course in Computer Aided Process Design. A well equipped research lab with Modern Instrumental facilities such as AAS, FTIR, GCMS, HPLC, etc. is a speciality of our department.

Vision

To be an internationally renowned centre of excellence that moulds professionally competent and socially committed Chemical Engineers.

Mission

Provide a high-quality education that builds solid foundation in both theoretical and practical aspects of Chemical Engineering in tune with needs of industry and society and to enhance knowledge through research.

Publication

All accepted/selected manuscripts will be published in **Elsevier SSRN**.
