

Details of Electronic discharge machine

Sl. No.	Item/ Description	Quantity
1	Electronic Discharge Machine(EDM)/Spark Erosion Machine. Work Tank Dimension(WXDXH)=600x400x275 mm, Work table Dimension:400x300, XYZ Travel:200x150x200mm, Maximum Job .generator height:225mm, Maximum Job weight:225kg, Maximum electrode weight:35kg, EDM controller-Pulse generator:MOSFET, Maximum current 25Amps, Input power supply:3phase AC 415V, 50Hz, Connected load;3KVA. Extra accessories (First fill dielectric 200 litres. serve stabilizer, V block 2"	1
