IN COLLABORATION WITH:

INDIAN INSTITUTE OF CHEMICAL ENGINEERS _ KOZHIKODE REGIONAL CENTER

ABOUT COLLEGE

Government Engineering College, Kozhikode (GECK), is a public engineering institute established by the Department of Technical Education under the Government of Kerala in India. It was one of the five public engineering institutes sanctioned in 1999 by the Government of Kerala. It is one of the 138 institutes affiliated to the APJ Abdul Kalam Technological University since 2015.

ABOUT DEPARTMENT

The Department of Chemical Engineering was established in the year 1999 with B.Tech. programme in Chemical Engineering (NBA Accredited). Students are admitted to the programme based on the state level engineering entrance examination (KEAM) every year. An M.Tech programme in Computer Aided Process Design was started in the year 2011.

COURSE OBJECTIVE

This program is designed for professionals aspiring for success by developing all-round personalities with a mature outlook to function effectively in different circumstances. The objective of the course is to provide a strong practical orientation to the participants by building up and improving their skills in academic research, AI tools, universal human values, mentoring, stress management and inter-personal skills.

WHO CAN APPLY

Faculty and technical staff from Engineering Colleges and polytechnics.

REGISTRATION

Staff members interested in the course can apply via the Google Forms link below. Seize this chance to develop your soft skills and advance your career. Click the link to apply now!
